

Storm Water Drainage Facilities Contract Ron's Maintenance

Storm Water Department
December 1, 2010

Gus Brown, Deputy Director
Operations & Maintenance Division

think **BLUE**
SAN DIEGO

2007 Storm Water Permit Requirements

- **Cleaning of all catch basins or storm drain structures accumulating trash and debris >33% of design**
- **Annual inspection of all storm drain facilities that collect trash and debris**
- **Permit requirements above current Storm Water Department staffing**

Current Contract

- **Storm Drain Structures Cleaning & Inspection Services Contract bid in 2009**
- **Ron's Maintenance awarded contract**
 - Costs considerably lower than next lowest bidder
- **Provided Services in FY10**
- **High Quality & Reliable Services**
 - Current & prior contracts

Current Contract

- **Similar Services required in FY12 & FY13**
 - Same number of storm drain facilities.
- **Cost approximately \$700K per year**
- **Three Option years provided in Contract**
 - First year executed
- **Contract to be re-bid at the end of these option years**

Requested Actions

- **Ratify a contract with Ron's Maintenance for catch basin cleanout, curb inlet inspection and cleaning, with four (4) one-year options to renew** (Purchase Orders issued as needed)
- **Authorize the expenditure of an amount not to exceed \$700,000 for Fiscal Year 11 from the Storm Water Department General Fund for costs under this contract** (\$336,000 in FY 11 previously authorized under Mayor's Authority)
